MEMORANDUM

TO: Class of 2022
FROM: Brian Cooke, MD, Carolyn Stalvey, MD
SUBJECT: Clinical Skills Exam- Year 1

The First Year Clinical Skills Examination (CSE1) will be given during the week of December 3rd. You will need to be at the Learning Center promptly at the scheduled time. Please be on time. No student will be allowed to start the examination late.

The assignments for each day are posted on the First Year Website. **There will be no changes made to the schedule**, except in an emergency.

Proper dress for the clinical setting is required because you will be interacting with standardized patients. **Bring your own stethoscope to the examination.** An otoscope, ophthalmoscope, reflex hammer, and tuning fork are provided in each examining room, but you may use your own if you wish. Also, please have your UFID with you.

**You must pass this exam to pass ICM 1.**

DO NOT bring book bags, pagers, cell phones or any kind of electronic device. You will not be allowed to respond to pages or phone calls.

**This is an ongoing examination. You must not discuss or disclose any information about the examination; to do so violates academic honesty guidelines.**

More details of the exam will be given to you at a later date. The schedule will be placed in the CSE folder in ICM 1 Canvas documents. [https://ufl.instructure.com/courses/353855](https://ufl.instructure.com/courses/353855)

If you have any questions, please contact Diana McCluskey in the Learning Center (273-9440).

We wish you success!
