

Respondus Lockdown Browser

You will need the Lockdown Browser for your exams. You can download it from the link below and follow the instructions to install the software:

www.respondus.com/lockdown/information.pl?ID=364713981

To make sure that your **lockdown browser** works, visit

<https://ufl.instructure.com/courses/342322/quizzes/567717>

The screenshot shows the Instructure LMS interface. On the left is a dark sidebar with navigation icons for Account, Admin, Dashboard, Courses, Calendar, Inbox, History, Commons, and Help. The main content area has a breadcrumb trail: LockDown Browser Check > Quizzes > Orientation Quiz - Requires Respondus LockDown Browser. Below the breadcrumb are buttons for 'Published' (green), 'Preview', 'Edit', and a menu icon. The title of the page is 'Orientation Quiz - Requires Respondus LockDown Browser'. A text box contains the following text: 'During exams, you will see a link to a google form in this box. Use the form for comments on exam questions while taking, or reviewing your exam. If you prefer writing your comments on paper first, don't forget to transcribe them into this form before you close your exam. The form is not available after you submit the exam.' Below this text box is a table of quiz settings:

Quiz Type	Practice Quiz
Points	12
Shuffle Answers	No
Time Limit	40 Minutes
Multiple Attempts	Yes
Score to Keep	Highest
Attempts	Unlimited
View Responses	Always
Show Correct Answers	Immediately
One Question at a Time	No
Require Respondus LockDown Browser	Yes
Required to View Quiz Results	No
Webcam Required	No

At the bottom of the page is a table with columns: Due, For, Available from, and Until. The 'For' column contains the text 'Everyone'.

Due	For	Available from	Until
-	Everyone	-	-

1. Click on Quizzes (left Column)
2. Test your lockdown Browser by clicking on the "Lockdown Browser Check – Requires Respondus LockDown Browser" link on that page

TIP: To zoom in on images while taking a quiz or an exam in the LockDown browser, enable Zoom in the Accessibility System Preference (Mac) or the Magnifier in Settings (PC). Once you have the option enabled, open the LockDown browser and take the practice exam in the “LockDown Browser Check” course to test it:

Important – Test your LockDown Browser application at least 2 days before exam day to make sure it works. Not the night before, nor the morning of your exams.

If you experience problems, visit [UF Health Information Technology Walk-UP Help Desk](#):

Where: Communicore Building, second floor, Room C2-011

Walk-up Hours: 8 a.m.-5 p.m., Monday-Friday
